## Ghostlight presented by Fine Films Gravenhurst

Date and Time: Tuesday, January 7 7:00 pm

Address: 295 Muskoka Rd S Gravenhurst, ON P1P 1J1

GHOSTLIGHT centers around Dan Mueller, a melancholic construction worker, who unwittingly joins a local theatre's production of Shakespeare's "Romeo and Juliet." As the onstage drama begins to mirror his own life, Dan and his family are forced to grapple with the recent tragedy of their son's suicide and the lashing out of their daughter. This is a tender, affectionate, and compassionate look at loss and how creative expression allows Dan to say the things he has repressed and cannot say around the dinner table.

"GHOSTLIGHT segues from lighthearted comedy to poignant drama and then back again, masterfully handling those transitions in a way that feels subtle and Natural." Abe Friedtanzer, Cinema Daily US

## Hotel California - The Original Tribute to The Eagles

Date and Time: Tuesday, January 14 7:30 pm

Address: 295 Muskoka Rd S Gravenhurst, ON P1P 1J1

When The Eagles stopped to catch their breath a few decades ago, having sold over 100 million records, collected six Grammy's, and enjoyed six #1 albums, Hotel California began a pioneering journey through their history-making music that has taken them around the globe and thrilled hundreds of thousands of Eagles fans. It's been a journey they could never have imagined back in 1986, but their dedication, unique musical gifts, and an obsessive commitment to doing this legendary music true justice in performance, set them apart from the many Eagles bands that came after them. Hotel California toured relentlessly from the 80's straight through to today, setting the standard for world-class tribute productions as they went, and sharing stages with the likes of The Doobie Bros., Lynyrd Skynyrd, Gretchen Wilson, REO Speedwagon, and many more. From Japan to Dubai, Toronto to Texas, Hotel California has boldly taken the tribute band where none had gone before them, and changed an industry's collective mind about how good a "tribute" band could really be.

Like so many teenagers, Dylan sometimes feels like he just doesn't fit in. Then one day he wakes up with antennae and he really doesn't fit in. All of a sudden, everyone wants to get their hands on him: astronomers, secret agents, and even his own alien family. Will Dylan's friends convince him to stick around, or will he take off to outer space in search of his home planet? A LIVE Theatre Production put on by Gravenhurst High School under the direction of Mr. Earl Sacrey.
