## The Great Escaper presented by Fine Films Gravenhurst

Date and Time: Tuesday, March 4 7:00 pm

Address: 295 Muskoka Rd S Gravenhurst, ON P1P 1J1

In the summer of 2014 - the 70th Anniversary of the D-Day Landings - octogenarian Bernie Jordan made global headlines. He'd staged a "great escape" from his care home to join fellow war veterans on a beach in Normandy, commemorating their fallen comrades. It was a story that captured the imagination of the world - Bernie seemed to embody the defiant, "can-do" spirit of a generation that was fast disappearing.

But of course, it wasn't the whole story. It was the story we all tell ourselves to make war and old age bearable. The bitter-sweet script explores the reality with wit and a very big heart. Bernie's adventure, spanning a mere 48 hours, also marked the culmination of his 60-year marriage to Rene – the story celebrates their love without sentimentality and with an eye to the lessons we can all learn from the Greatest Generation. Starring Michael Caine and Glenda Jackson in their final roles. Caine has retired and Jackson passed away in 2023.

The Snowed In Comedy Tour has turned into a Canadian success story, celebrating its sixteenth year. It has now grown to become the biggest comedy tour in Canada. Playing in 70 cities this year, coast to coast. In a market still dominated by American acts, with American TV credits, a small Canadian comedy tour has managed to succeed. Like the Tragically Hip they have done it by touring and making more and more people laugh, year after year. The tour has now performed in Australia, The US, France, and Switzerland. The tour has received numerous standing ovations. Four international comedians come together to create one amazing show with each bringing a unique and hilarious take providing something for everyone. Just for Laughs winner Dan Quinn is joined by the Great Canadian Laugh Off winner, Paul Myrehaug and 6 time Canadian Comedian of the year nominee, Pete Zedlacher. We are proud to announce that Erica Sigurdson with over 70 appearances on the Debaters, will be joining us. Don't miss out on the comedy show called "Better than the Just for Laughs Tour" and "Delivers a Flurry of Laughs".

### Kasandra Bois

Kasandra has been singing since she can remember. Her mother sang in a band and travelled so music has always been a huge part of her family's life. Her first guitar was given to her by her father when she was 13 years old. Since then, she has written original music and decided to go to Metalwork Institute of Professional Sound and Music in Mississauga. She received her Entertainment Business Management Diploma and has won and entered many different competitions. To this day after having 2 children and getting married, she continues to play many different genres and plans to continue writing and performing.

### Sonny Boy Mick (Stephen McPhail)

Now a full time resident of Muskoka Ontario, award winning singer/songwriter Stephen McPhail first picked up the guitar at the age of 10. Growing up in the Northern town of Sault Ste. Marie, he was singing in school festivals, teaching guitar and playing professional gigs by the age of 15. After graduating university he moved to Burlington Ontario to pursue his love of music, performing acoustic solo and corporate events with his band Sonny Boy Mick and was also the owner and operator of Burlington's Melody Man Studios since 1994 (music school and recording studio), working as a full time performing musician, music teacher and studio musician. Over the years he has appeared as a vocalist and guitarist on several CD recording projects and has also performed as a lead guitarist for several prominent Canadian recording acts.

### Sean Cotton

A Georgetown, Ontario native and Toronto expat, Sean Cotton currently creates and performs in the Central Ontario regions of Muskoka and Almaguin Highlands. After retiring from a 20 year career on the road and in the studio as a guitar player and harmony vocalist with performing-songwriting duo The Undesirables, Sean has settled in the village of Burk's Falls, Ontario where he operates a recording studio producing artist, recording his own albums as well as working as a jingle composer for radio. Over the years Sean has been a sideman for artists as diverse as Indie New Country Artist Marshall Dane, Blues and R&B singer Treasa Levasseur, and Pop singer Suzie McNeil. His first record producer credit was for his longtime collaborator Folk singer Corin Raymond. Sean still receives SOCAN royalties from writing collaborations with the latter three artists. You can see Sean performing solo from Gravenhurst to North Bay, from Burk's Falls to Parry Sound. These performances are a highly revered one-man band experience, with Sean filling out the back beat of the music with his feet by performing percussion on a tambourine adorned guitar case and sporting ankle bells on his left leg. He is constantly creating bands to suit all occasions that get thrown his direction. He currently performs his original music with a quartet fittingly named The New Locals.
